

# Looney Pedalers Bike Rides 2019

Here is the a list of bike rides we are hoping to take this year. They will be chosen based on the predicted weather forecast and time of year. The rides are numbered, which is not an indication of the order, but simply a way to identify the ride we are choosing. All distances are approximated.

If you are interested in joining us on some rides or have any suggestions for other routes please contact us: [loonypedalers@gmail.com](mailto:loonypedalers@gmail.com)

**Lupine Festival Ride June 8, 2019** We participated last year. It was a great ride and the lupines were really beautiful. If you are interested please sign up individually. Most of us are riding the 28 mile loop, but you can choose a different distance if you prefer.
