

Hurley to Montreal Trail Fundraiser

Donate now to help ICORE and the City of Hurley raise \$105,000 to purchase 3 miles of the abandoned Soo Line railroad grade for the future Hurley Montreal Non-Motorized Trail. The trail will link to the Iron Belle Trail in Ironwood, connecting Montreal, Hurley, Ironwood, Bessemer, and Ramsay.

Any donation is welcome! Donations of \$500 and more will be given a plaque with your chosen wording. Dedicate a plaque to a loved one, show your business supports the trail, or share a message of your choosing!
